

# Invitation

## FREE MACADAMIA PRODUCTION COURSE

Limited Availability for August - Book Now!

This coming August, Macadamias Direct are hosting a Macadamia Production course in NSW. This Industry training program will be facilitated by Alan Coates. Alan has a wonderful wealth of knowledge...with over 30 years in Macadamia education & practical experience.

### VENUE

Classes commence 9:00 am on Wednesday 2 Aug. The course will run over 4 full days (fortnightly) – with morning classes, followed by practical/field sessions each afternoon.

N/C Community College  
494 Bruxner Hwy, Alstonville  
*(Old 'Centre for Tropical Horticulture' site, opposite cemetery)*

### COURSE OUTLINE

Wed 2 Aug	Pest & Disease management
Wed 16 Aug	Soil health, Compost, Tree nutrition & fertilizer programs.
Wed 30 Aug	Orchard design, Young tree establishment, Management & Pruning.
Thur 31 Aug	Mature Orchard management, Drainage, Canopy & Orchard Floor management.

### BOOK NOW

With limited numbers, the course would be extremely beneficial for new industry entrants, or an existing grower/employee that wants a refresher about current methodologies.

Alan's course is totally non-partisan, with any grower or processor warmly welcome to attend. Morning tea & lunch provided.

RSVP by Fri 28 July
